

Hosted PBX

Hosted White Label Solutions for VoIP Service Providers

Offer Hosted PBX to your Business Customers

Telinta's white label solution for Hosted PBX has the features you need to win and retain business customers.

With Telinta, you can provide highly reliable business telephony services that your customers and resellers can rely on. This includes Telinta's Auto-Attendant, Class 5 features, IP Phone profiles to streamline provisioning, brandable portals, call recording, free voicemail, and more.

TeliCore™ is our robust carrier-grade platform, integrating Telinta's cutting-edge VoIP solutions with world-class Switching and Billing capabilities. With Telinta's highly-customizable white label solutions, you and your resellers can offer a full range of services in addition to Hosted PBX, all under your own brand.
