

Mobile Top-Up

Hosted White Label Solutions for VoIP Service Providers

Offer Mobile Top-Up Services to your End Users and Resellers

Our white label cloud-based solution enables you to offer Mobile Top-Up services to an unlimited number of resellers and end users. Using our APIs to industry-leading Mobile Top-Up partners, you and your resellers can process payments to hundreds of mobile operators around the world. Our brandable web portals help you serve your customers in any language and currency you need. Easily process in-person payments by end users at retail locations. Brandable portals can process online payments from resellers and distributors by credit/debit cards and PayPal. Easily grow your business with the tools you need to build your own network of resellers.

TeliCore™ is our robust carrier-grade platform, integrating Telinta's cutting-edge VoIP solutions with world-class Switching and Billing capabilities. With Telinta's highly-customizable white label solutions, you and your resellers can offer a full range of services in addition to Mobile Top-Up, all under your own brand.
