

Unified Communications as a Service

Hosted White Label Solutions for VoIP Service Providers

Offer Brandable UCaaS Service

Telinta enables you to provide a full portfolio of Unified Communications as a Service (UCaaS) with your own brand, and your own prices. Serve any size business customer, with locations anywhere in the world. Our fully-integrated billing enables you to control your own prices, create subscription plans, discounts, promotions, and more. Easily provide phone numbers that your users can share across a variety of devices and solutions, any time, anywhere.

TeliCore™ is our robust carrier-grade platform, integrating Telinta's cutting-edge VoIP solutions with world-class Switching and Billing capabilities. With Telinta's highly-customizable white label solutions, you and your resellers can offer a full range of services in addition to Unified Communications, all under your own brand.
