TeliCon™ Audio-Conferencing

Hosted White Label Solutions for VoIP Service Providers

Audio-Conferencing for your Business Customers

TeliCon™ is our feature-rich audio-conferencing solution for VoIP providers. Fully integrated into our world-class hosted VoIP Softswitch and Billing platform, this solution includes brandable web portals, customizable multi-language IVR, virtually unlimited number of moderated or unmoderated conference rooms, with all the features and controls your users can rely on. Easily generate access codes, mute/unmute callers, download recordings, and more. TeliCon is part of your fully integrated offer for Unified Communications as a Service (UCaaS).

TeliCore™ is our robust carrier-grade platform, integrating Telinta's cutting-edge VoIP solutions with world-class Switching and Billing capabilities. With Telinta's highly-customizable white label solutions, you and your resellers can offer a full range of services in addition to conferencing, all under your own brand.
